VACATION RENT PAYMENT™

POWERED BY YAPSTONE

- At the bottom of the page select the applicable action, 'Issue Refund' or 'Cancel Payment'
- If you would like to cancel the payment in its entirety, type the reason for the void (e.g. guest canceled reservation) into the 'Reason for Cancellation field and click 'Cancel Payment'
- If it is a partial refund, use the 'Payment Amount' fields to dictate the amount to be refunded, type the reason in the 'Reason for Refund' field and click 'Issue Refund'

ISSUE REFUND

| | |
|-------------------|---|
| Payment Amount | \$ 1522 .13 |
| Reason for refund | <input type="text"/> |
| | <input type="button" value="Issue Refund"/> |

CANCEL PAYMENT

| | |
|---------------------------|--|
| * Reason for cancellation | <input type="text"/> |
| | <input type="button" value="Cancel Payment >>"/> |

NOTE: If the transaction is still in a state of "Processing," the refund option will not appear. If the transaction is in a state of "Cleared," the cancel payment option will not appear.

NOTE: Due to the current global Health crisis and the large volume of refunds being put through the financial industry, funding times on refunds may be as long as 30 days in some scenarios. Please ensure you are advising your guests accordingly.
